

Willamette Valley Junior Rodeo Association

Its rodeo time again!

We hope that everyone has had a great start to 2009. You will find your 2009 rodeo information enclosed. We are also asking for volunteers this year. We need all the help that we can get. Our usual volunteers have other obligations this year so we cannot count on their generosity for every rodeo. Volunteers are needed for setting barrels, poles goats, raking, gate help, etc... The more volunteers we receive the more efficient our rodeos will run. If we do not receive volunteers then we will have to reevaluate for next years rodeos. Please fill out the attached form and mail them back with your information. Any and all help is greatly appreciated as well as can be used for a tax write off. Please check out our new website at www.wvjra.net We look forward to this year's rodeo season!

Sincerely,

WVJRA COMMITTEE
